When registering your child, you would have been made aware of our Parents code of conduct and will sign up agreeing to follow this. We would, however, like to make you aware of the following:

- The aim of the club is to nurture and develop all children, this is reflected in the fact we try to give opportunities for all children.
- We endeavour to give all children as much game time as possible, but this is at the discretion of the coach and may vary depending of competition involved in.
- All our coaches are volunteers; no one gets paid to be involved in BUYA. All the money that is brought in through fees, is pumped back into ensuring children have the best equipment/ kit/ facilities etc.
- A lot of our coaches are parents who give up their free time, without them we would struggle to accommodate so many children. Please support them.
- We do appreciate that with the size of the club we do encounter some issues, please follow the policies and procedures available on the website for resolving any problems.

Finally, to support our coaches we would ask that you:

- Notify secretary/ coach if any of your details on the registration form change during the year.
- Be punctual for training
- Pay all match and training fees
- Notify coach of unavailability of your child for training or matches,

Could I wish you every success for the season, with your continued support we can help the club progress further. Please support our coaches and make yourself available for any club fundraisers we have through the year.
